MISS KATHY ZAN PEPPY ... Here is a well broke mare that has done her share of ranch work. She has been used on a large south Texas ranch to do work daily. She was ridden by a woman to doctor yearlings out on pasture, work cattle, ride pens, drag to brander, sort in pens, all type of ranch work from sun up to sundown. This mare has put in her time. Then she was put into our broodmare band to produce babies. I don't know if you can say enough about the work this mare has done. This is a true ranch horse with an outstanding pedigree for any performance event.
